

GERMANIC CULTURE

The criticism is sometimes made that American students are uninformed or misinformed regarding their neighbors in other lands. This short test gives you a chance to show how much you know, presenting sounds and sights of countries where German is spoken in the format "You Are There." Whether you score high or low, it is hoped that your study of languages will stimulate you to learn more about other lands and perhaps one day you will be able to visit these lands to see, hear, and know them first-hand.

Relate the recordings to the multiple choice answers and drawings in your test booklet and place an X in the box on your answer sheet corresponding to the choice you consider correct. You have approximately 12 seconds between problems to write down your answer.

Example:

Recording: "13. The Pennsylvania 'Dutch' were originally from. . . "

Test Booklet: 13. a. Holland b. Germany c. Switzerland

Answer Sheet: 13. a b c

DO NOT WRITE IN THIS BOOKLET. Be sure to write your name and other information requested on the separate sheet provided for your answers.

Test booklets and answer sheets must be handed in as you leave the room.
